Healthy Love

Rekindle the romance or surprise your spouse with a Sanctuary couple membership, and benefit from our facilities and services, specially adapted for couples with intimacy and privacy settings such as;

- Couple massage in double treatment room with double hydro tub.
- Personal Day room for changing, relaxing and shower.
- Optional lunch locations such as the garden and near the river

All our features listed above are to relax and enjoy with your spouse. We can improvise settings and customise, as our staff get familiar with your preferences.

Les Mariannes will naturally consider the individual wellness and health requirements; with the ultimate goal for a Sanctuary Couple to have quality time as a couple, maintaining a healthy lifestyle, while benefiting from a special concession on a Sanctuary Couple Membership.
